

**Bad Boy Blast would like to take this opportunity to thank each and every Sponsor. This is a great cause and fun way to support your local law enforcement!**

## **STATION SPONSOR GUIDELINES**

Station sponsors need to be at their respective station 30 minutes before each rotation is scheduled to begin. We'd like to see a minimum of 2 workers per rotation per station.

Lunch will be served from 10:45 a.m. - 2 p.m. and the Bad Boy Blast volunteers will make sure you are feed, either by giving relief or bring plates to the station. If your station workers are splitting up the day, they'll probably need to slot in total of 4 hours for each rotation, from driving out to leaving Windwalker Farms.

Your company's logo shirts would be great. Shorts/summer wear/jeans is the favored attire, with tennis shoes. Sandals don't really work as it is very dusty out there. Sunscreen, hats, etc. Most stations will be shaded. Please bring your company banner to optimize advertising. Lawn chairs and a table will help you make it through the day.

It would be great for you provide drinks/coolers at your station for the shooters (probably 300 drinks will work). We usually do bottled water/Gatorade. Some station sponsors bring snacks, like hard candy (or frozen snickers), peanuts, stuff like that Also, any printed material, advertising, handouts, etc. Be prepared for wind (bring stuff to weight down your material).

The Bad Boy Blast has had such a great response; we have scheduled a two day shoot for 2008. The Bad Boy Blast committee would like the station sponsors to man the station Friday and Saturday. If this is not possible, please send an e-mail to [loretta.seggers@ConocoPhillips.com](mailto:loretta.seggers@ConocoPhillips.com) and let us know. This will allow time to assign man power to work the station. The first rotation will begin at 11:00 Friday the 18<sup>th</sup> and the second will begin at 2:00. If the weather permits you may leave your station setup for Saturday morning. First rotation will begin at 8:00 a.m. Please be totally set up by 7:30 a.m.

To recap, here are the things station sponsors supplies:

- Table and lawn chairs for workers
- Company banner
- Coolers
- ~200 drinks
- Snacks, if desired
